

2026 Parent Contribution – Year 7

Dear Parent/Carer,

I would like to begin by acknowledging the ongoing support we receive from families at Sandringham College. Our success as a school is built on our strong sense of community and the continued support of our parents and carers, which enables us to provide high-quality teaching, enriching co-curricular opportunities, and a broad range of wellbeing and social emotional supports for all students.

Schools are funded at a base level to deliver the Victorian Curriculum and the Victorian Certificate of Education (VCE). While all financial contributions are voluntary, we rely on the generosity of parents and carers to help our students excel and to enhance the quality of learning experiences across the College.

From 2026, the College will implement explicit teaching practices across all classrooms. A key component of this approach involves **a move away from heavy reliance on technology and a return to more paper-based teaching and learning approaches.** This shift is grounded in educational research and reflects our understanding that while technology can support learning, it can also be a source of distraction. As paper-based resources are surprisingly costly, we are seeking your voluntary contribution to help offset this increased expense.

Sandringham College prides itself on a culture of high expectations. While our facilities are ageing, we remain committed to creating safe and vibrant learning environments for our students. **In 2026, our focus will include replacing student desks and chairs and installing new soccer goals, football goals, and outdoor basketball rings.** Through our Building Fund and the generosity of families, we hope to raise the funds required to make improvements of infrastructure for sport and classrooms for students to enjoy during physical education, recess and lunchtime.

Thank you once again for your ongoing support and commitment to our school. Sandringham College continues to be an outstanding school because of the partnership we share with our families and community.

Yours sincerely,

Amy Porter
College Principal
